

We're Movin' On Up . . .

And FieldHaven Needs YOUR Help!

Out with the old and in with the new.

The County is requiring that we remove the old Cat Trailer and replace it with a new facility. It's a monumental task that will require lots of help from our friends and supporters, but we know we can do it!

Our goal is to raise \$150,000.

You can help by donating money, time and/or skills!
