What's All the Fuss About?

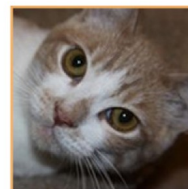

Every cat adopted from Fieldhaven receives our spa treatment for one full year!

That's a Big Wow!

Happy cats and happy humans -- what could be better than a destination spa for your cat where we trim their nails, apply a topical flea treatment and even weigh them in!

There's nothing more important than making the new little love of your life comfortable and flea-free!

Come to FieldHaven and give one of our cats a new forever home and we provide the spa treatments for free!

August, Cranberry and Lemon Meringue get the full spa treatment!

How Does it Work?

When you adopt from FieldHaven, you'll get a voucher that entitles you to our spa services for one full year from the date of adoption.

Bring it every time you come to FieldHaven, and we'll take care of the rest! Our cats are well-loved and cared for. We want to help you start off their new life with you in the best way possible by offering these essential services.

When Can I Meet the Cat of My Dreams?

Come visit our felines anytime during our regular adoption hours. You can also browse our website at www.fieldhaven.com to see all the adoptable cats and kittens we currently have available.

Emily and Manny get the full spa treatment too!
