FieldHaven Feline Center

“For every **Cat** in need, a **Solution**”

BOARD MEMBER APPLICATION

Thank you for your interest in the FieldHaven Feline Center’s Board of Directors.

Our mission since 2003 has been to improve the human-animal bond and to ensure every cat in our community has a safe place to live. This includes providing shelter, care, humane treatment and loving homes for stray or unwanted cats. We strive to serve our community by fostering relationships, promoting education, making a positive impact on pet population, and providing community programs.

The Board of Directors is an all-volunteer organization chartered with advancing the mission of FieldHaven. We are involved with budgeting, financial management, fundraising and capital goals (new equipment, building improvements, etc.). As a team, we strive to provide expertise, community perspective, time and organizational credibility. We also have specialized functions – either as individuals or as small teams (committees) focused on a specific area or initiative.

I hope you will consider joining the FieldHaven Board of Directors, and helping us to make an impact. The first step in the process is to complete a short application (attached) as a way of introduction.

On behalf of the entire Board of Directors, the staff, and animals at FieldHaven, we look forward to hearing from you.

Regards,
Joy Smith
