

FieldHaven Feline Center

"For every Cat in need, a Solution"

With our new partnership with Marysville Animal Care Services, about 40 miles from FieldHaven's shelter in Lincoln, we did not have a foster base so we needed to start from scratch. We have been able to use our current fosters for some of the Marysville kittens but we wanted to establish a team of fosters in and around Marysville to minimize transport issues. Especially for those kittens that needed to be put into foster care right away.

We discovered that many of the finders of at-risk kittens were willing to foster but didn't have supplies ready at hand. Thus, being awarded the Maddie's Fund grant for kitten kits was a blessing!

[Viking Woodworks and Learning Center](#) participated in building Kitten Care Kits.

They created soft blankets warming socks for the kittens: <https://tinyurl.com/y3t8stoc>

The students helped [FieldHaven](#) and [Marysville Animal Care Services](#) assemble the Kitten Care Kits: <https://tinyurl.com/y3ymjw2m>

Each carrier had a Maddie's Fund sticker affixed to it along with all the supplies purchased through the grant, the beds made by the students at Viking Woodworks and a kitten care guide.

We assembled 60 Kitten Care Kits, just a few more than we originally budgeted for due to some savvy shopping by our purchasing coordinator!

From January 1 to August 28, 2019 FieldHaven has intaken 179 at-risk or under age kittens and place them in foster. #ThanksToMaddie we were able to send supplies home with those fosters so they had all the ingredients they needed to care for the kittens. All they needed to add was LOVE to complete a perfect recipe.
