Volunteering with FHAST

Please join our volunteer team for FHAST! We welcome people with a variety of skills. Here are some of the skills we need for any disaster shelter:

- Customer service
- Transportation
- Veterinarians and veterinary technicians/assistants
- Cat care and cleaning
- IT support
- Communications and social media
- Fundraising and donation procurement

Requirements for FHAST Volunteers

- Must complete mandatory FEMA ICS (Incident Command System) courses, which are online and free.
- Must attend other trainings for FHAST

Please note:

There is a one-time \$50 administration for volunteers
